

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Underground fire hydrant EC T DN80 PN10
Underground fire hydrant EC T DN100 PN10
Underground fire hydrant EC TT DN100 PN10

placed on the market by

Eccua OÜ

Address

Harku tee 3560, Tabasalu, Harku vald, 76901 Harjumaa, Estonia

and produced in the factory Harku tee 3560, Tabasalu, Harku vald, 76901 Harjumaa in Estonia

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body Inspecta Estonia OÜ has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

EN 14339:2005

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on **2012.04.12** and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly. The validity of the certificate can be checked on the Internet at www.inspecta.com.
